

# TRAUMA SENSITIVE SCHOOLS:

A New Perspective on Student Behavior and Learning

## SUMMER 2024 TRAINER COHORT

Join the opportunity to build school and/or district capacity to deliver the invaluable Trauma Sensitive Schools professional learning curriculum with local context!

When more than two thirds of children report exposure to at least one traumatic event by age 16, educators deserve to be informed and equipped to support the students whose learning and behavior has been impacted by childhood trauma.

### VIRTUAL 2024 TRAINING:

Attendance is required at all listed sessions.  
Two Graduate Credits available, equivalent of 30 hours.
